Hon. Sir:

This is to summarize a telephonic interview this Attorney had with Patent Examiner Todd M. Epps on Friday, January 20, 2006 on the above identified patent application. Examiner Mr. Epps initiated the telephone call. We discussed the claims in the last Amendment filed in the said application, particularly claims 14 - 21. Mr. Epps indicated that the Amendment appeared to be acceptable except that the claims 14 - 21, labeled *Withdrawn* should be cancelled. I agreed to cancel the claims 14 - 21, if such cancellation would place the said application in condition for allowance. Mr. Epps said it would. I asked Mr. Epps to cancel the claims 14 - 21 by Examiner's Amendment. Mr. Epps agreed to do so. Agreement was reached on the issues discussed.

Respectfully submitted,

Kenneth E. Merklen
